

2018 Terms of Business and Fee Schedule

Dear Parents and Carers

Please be advised that Tuition fees for 2018 will be increasing. In endorsing this change, the Board was mindful to keep the increases as low as possible for the community, while taking into account the school's growth and the costs associated with offering a quality education.

The fee increase is outlined in the schedules and information below.

Please note: Tuition Fees are calculated on the assumption that the Grants received from the Commonwealth and State Governments will be maintained, Educational CPI increases for the prior year and carefully considered, based on the future needs of the School.

The fees are set at an annual amount payable in four instalments and charged two instalments in advance. Accounts are sent in September/October, January, March/April and June/July by email from our billing software.

Other charges such as the Parent Involvement Levy (see over for further information) for Cycle 1 to 3 only, material levy for Parent & Toddler Group and Early Learners Program and Voluntary Building Fund donations, do not attract the discount.

Enrolment of a place in either of the programs will not be finalised until the material levy is paid.

Parent Involvement Levy (PIL) Cycle 1, 2 and 3 only

The school conducts working bees, social and fund-raising activities throughout the year. All parents are expected to be involved, which usually equates to running or assisting in one or two activities each term. Families are asked to nominate their preferred activity from a list on the campus noticeboard at the beginning of each term; however there are always more tasks appearing and new families are asked to speak to their classroom teacher or their room representative for suggestions of how to help.

At the time of billing for each term a **\$160.00** PIL is charged to family of Cycle 1-3 students. Parents are obliged to either pay the levy or take part in some maintenance or fund-raising activities, for a minimum of at least four hours each school term.

A credit for the full Term PIL can be achieved in the following ways for 4 hrs involvement per term:

EITHER By attending a working bee (organised once per term) - At each working bee there is a sign-in sheet which should be signed by those participating. It is from this list that the Finance Office generates the working bee credit for each family.

OR By applying to specific job/s around the school. A list of these jobs can be found near the front desk at each campus, alternatively speak to a staff member or email the school if you have further queries.

OR By participating in fund-raising activities.

2018 Terms of Business and Fee Schedule

To receive credit for jobs other than working bees, there is a Parent Involvement Levy Form which can be downloaded from the School website in the **Parent Section** menu/All Forms. These forms are retained on file and made available to the auditor at the end of the year for verifying that correct credits were awarded.

Alternatively, families may prefer to maintain the payment of \$160.00 per term in lieu of such duty.

Miscellaneous Donations

Any gifts of \$2.00 upwards to Melbourne Montessori School Building Fund are also allowable taxation deductions under the provisions of Section 30 – 25, Item 2.1.10 of the Income Tax Assessment Act 1997.

Voluntary Building Fund Donations

School fees do not cover the cost of new buildings, which are made possible only through borrowings and the generosity of our donors. Our important capital works and maintenance programs are critical to ensure the best possible facilities for your children.

The Voluntary Building Fund Donation is tax deductible under the provisions of Section 30-25, Item 2.1.10 of the Income Tax Assessment Act 1997. The Building Fund is used to finance capital improvements and maintenance of the school's buildings, and the installation and maintenance of fixtures. Receipts for Building Fund Donations will be issued for Taxation purposes at the end of the financial year. The school relies heavily on these incoming funds to maintain the buildings and facilities. Without these donations school fees would have to be increased by the corresponding amount to ensure compliance with all the regulations and to maintain the school.

Voluntary Building Fund Levy		
Per Child	Term	Yearly
Parent Toddler & Early Learners	\$25	\$100
Cycles 1-3	\$100	\$400
Cycle 4-5	\$250	\$1,000

Payment of Fees

All fees will be charged in four instalments per year, two terms in advance.

E.g. Term 1 tuition fees are due in early October and are called Instalment 1; Term 2 tuition fees are usually due around the end of January and are called Instalment 2, etc.
